**REQUEST FOR CERTIFICATE OF CORRECTION**  
**UNDER 37 C.F.R. §§ 1.322 AND 1.323**

Attn: Certificate of Correction Branch  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Dear Commissioner:

Pursuant to 37 C.F.R. §§1.322 and 1.323, Patentee hereby requests a Certificate of Correction be issued to correct errors in the listing of the foreign priority information of the issued patent. In accordance with the provisions of 37 C.F.R. §§1.322 and 1.323 of the Rules of Practice, approval of the attached Certificate of Correction for the above-identified patent is requested.

The above-referenced patent was a divisional of U.S. Serial No. 09/700,583 filed on January 19, 2001. The 09/700,583 application was a national stage application under 35 U.S.C. §371(c)(1), (2), (4) with a filing date of January 19, 2001 and was based on PCT/JP00/01627 which was filed on March 16, 2000. International Application No. PCT/JP00/01627 claims priority to Japanese Application No. 11-71071 filed on March 16, 1999. International Application No. PCT/JP00/01627 was also published on September 21, 2000 as WO 00/55954. On the face of U.S. Patent No. 7,502,700, the priority document information is incorrectly shown. The correct information is given on the attached Certificate of Correction form PCT/SB44.

Applicants assert the error was on the part of the U.S. Patent Office and therefore no fee should be due, however, if appropriate under the provisions of C.F.R. §§1.323 and 1.20(a), the Commissioner is hereby authorized to debit the fee in the amount of \$100.00 for the Certificate of Correction to Deposit Account No. 19-2814. If it is found that there is a deficiency or overage in the fee that is due, the Commissioner is hereby authorized to debit or credit Deposit Account No. 19-2814 and is asked to advise the undersigned accordingly.

If there are any questions or unresolved issues, the undersigned would welcome a telephone call to the number shown below.

Respectfully submitted,

Date: 6/17/09

## Privacy Act Statement

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (*i.e.*, GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.
